The image shows a yellow and silver tool, possibly a marker or a stylus, standing upright. A red vertical dimension line with horizontal caps at the top and bottom indicates the height of the tool from the top of the yellow base to the tip of the silver shaft. The tool is positioned in front of a large, faint, stylized phoenix logo. The logo features a phoenix bird with its wings spread, surrounded by flames. The text 'PHOENIX' is written in a large, light gray font across the middle of the logo, and 'PLASTECH' is written in a smaller, light gray font below it. A registered trademark symbol (®) is located to the right of the 'X' in 'PHOENIX'.
